In Re:	<u>Chapter 11</u>
Lehman Brothers Holdings Inc, et al,	Case No 08-13555 [JMP]
Debtors	[Jointly Administered]

Regarding: OBJECTION Amended Claim. Claim numbers 45259 and 64598

Dear Attorneys

I just received your letter, dated May 18, 2010 regarding OBJECTION TO CLAIMS [AMENDED AND SUPERSEDED CLAIMS]

The claim nr 45259 Date Filed 10/23/2009 Debtor 08-13555 Claim Amount \$106.132,00
This claim has been Disallowed and Expunged

The Surviving Claim 64598 Date Filed 11/4/2009 Debtor 08-13555 Claim Amount Undetermined.

I have never had the intention to ammend or change my previous claim nr 45259.

The reason that I have sent the second form was based on the fact, that I supposed that it was an obligation, that my wife had to sign the Proof of Claim as well. [See my enclosed letter, dated 10-20-2009 and registered sent.

Likely it was not necessary in taking the action to send in a second Proof of Claim, because I am now confronted with a Claim Amount of Undetermined in stead of the previous amount of \$ 106132,-

Let's say we have brought ourselves in a bad position now, than we like to keep our Claimnumber 45259

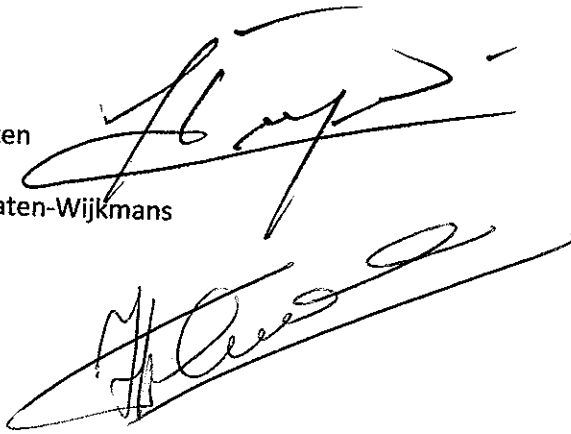

We really do hope on your understanding in this matter.

The name, address etc is according to the presented proof of claim

Kind regards,

Mr L.C Hoogstraten

Mrs H.T.Hoogstraten-Wijkmans

The image contains two handwritten signatures. The first signature, positioned above the name 'Mr L.C Hoogstraten', is written in dark ink and appears to be 'L.C. Hoogstraten'. The second signature, positioned above the name 'Mrs H.T.Hoogstraten-Wijkmans', is also in dark ink and appears to be 'H.T. Hoogstraten-Wijkmans'. Both signatures are fluid and cursive.

Harmelen 10-20-2009

Dear receiver.

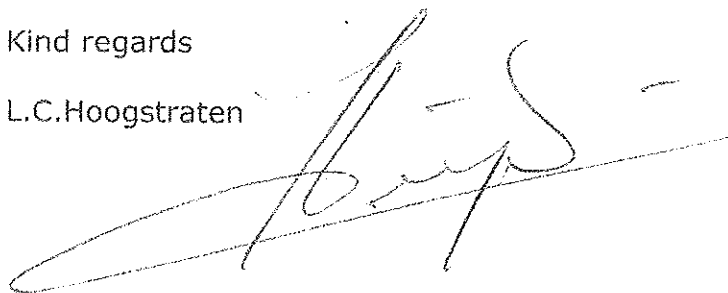

Enclosed I send you the second filled in formular regarding the Lehman Securities Programs Proof of Claim.

The reason for doing this, is the fact that the creditors are as well myself as my wife, so I guess we have to sign both of us.

The first Proof of Claim was signed just by myself and dated 10-15-2009.

Kind regards

L.C.Hoogstraten
